RAISING HEALTHCARE'S STANDARD

*Be Inspired*

### Anthony T. Washington Sr. Health Care Improvement Scholarship

The Anthony T. Washington Sr. Health Care Improvement Scholarship was designed to honor the life and legacy of Dr. Knitasha Washington's father. Mr. Washington lost his life to a preventable medical error. Patient safety is a consumer issue and requires a multitude of stakeholders to change the culture of healthcare so that we together improve both quality and safety outcomes and do so in a more just way for all patients (regardless of race, ethnicity or background).

In honor of Anthony T. Washington Sr., Dr. Knitasha Washington and family wishes to encourage a young person between the age of 16-40 majoring in the following fields: health administration, health policy, any of the health sciences including medicine, pharmacy, nursing with a \$500 scholarship payable to a currently enrolled and/or accepted student to any college (four-year, community college or university). Nominations must be **received by July 11, 2016**. The **award will be announced July 25, 2016** and distributed to the school of enrollment within 10 business days.

To nominate a deserving student please complete the below questionnaire. The final selection of potential awardees will be asked to provide proof of program enrollment at the time of notification. All submissions should be forwarded by email to [drknitasha@gmail.com](mailto:drknitasha@gmail.com) or cut and paste into the contact me section of the [www.knitashawashington.com](http://www.knitashawashington.com) webpage.

<b>Nominee Name:</b>	
<b>School of Enrollment:</b>
